People Index

Autumn 1992 - Winter-Spring 2026

Instructions & Format

A. Refer to the People Index when you are looking for a notable person mentioned in any newsletter.

B. Bolded lines are under review

C. All subjects in the People Index are organized in the same way. An em-dash separates the subject from its mentions and a short description. Refer to the example below.

Example: Subject—Volume, (Mention Newsletter Page), Short Description; Volume, (Mention Newsletter Page), Short Description

D. Search this newsletter through the shortcut (cmd F) on mac and (ctrl F) on PC

Important Vocabulary

Subject: The person, plant, object, or historical event being indexed.
Mention: Any mention of the subject in a newsletter.
Volume: Newsletter Season & Year. (Ex. Winter 2025)
LL: Lotusland
GW: Madame Ganna Walska

For further abbreviations, refer to the General Index.

People

A
